

The North American Scottish Games Association is dedicated to the promotion and understanding of Scottish Heavy Events competition in the United States and Canada and the appreciation of our Scottish heritage.

BOARD OF ADVISORS

- President: Fred Vaughan  
Publishing Secretary: Pete Hoyt  
Recording Secretaries: Arnold Pope, Dick Shelton, Bob Whitman, Michael Reid, John Ross, Tim Kincaid, Douglas Fales  
East Coast Advisors: Ron Short, Ed McComas  
West Coast Advisors: Keith Tice, Gordon Varnedoe  
Canadian Advisor: Daye Harrington

RECORDS: Revised - It has been agreed by the Board of Advisors that all American Records as accepted from 1976 with the formation of NASGA, be revised and that all future claims to records be made with minimum weights and maximum lengths of implements allowed in each Event. Also, at least five members of NASGA Advisory Board must approve new claims.

\*Indicates a new Field Record listed herein; \*\*indicates a new American Record. Field records are not noted at first year contests.

MEMBERSHIP AND DUES: Inasmuch as the NASGA is still a very small organization with limited funds, there will be no reminder of subscription renewal except for this request to please check your records and send in your \$5.00 membership fee if you haven't paid for the coming year.

REPORTING: All Canadian, U.S. and Foreign results are welcome and will be reported. It is very much desired that all results contain at least three deep in each Event. Also, only Heavy Events are of interest (except for special strength events).

GAMES CHAMPIONSHIPS: The object of Scottish Games Heavy Events participation is to score as many points per event as possible in order to win the overall Games championship or Athlete of the Day honors. Events are usually scored 6-4-3-2-1 or many times 5-4-3-2-1. At some contests with numerous qualified competitors, one or two more places may be added to each Event. A minimum of five Scottish Heavy Events must be contested.

In 1979 NASGA reported thirty-one Games which included Heavy Events. This is an increase of fifteen Games over the last two years.

Of this year's Games, twenty-four were major championships involving three or more athletes with experience in the Scottish Heavy Events. Nineteen of the major Games were won by Fred Vaughan (South Carolina), Brian Oldfield (California), and Dave Harrington (Quebec).

Oldfield won six championships including the U.S. Heptathlon Championship at Alexandria, VA, and the Canadian Heavy Events Championship at Fergus, Ontario. He tied with Grant Anderson (Dundee, Scotland) for the U.S. Heavy Events Championship at Santa Rosa, CA. Vaughan won ten championships over the ten month season and Harrington won two.

Other major Games winners were Tice (Fresno, CA), Short (Winston-Salem, NC), McComas (Lanhamville, MD), Shelton (Santa Clara, CA), Ross (Santa Rosa, CA) and Milligan, (Ontario); one each.

GAMES (AUGUST - OCTOBER)

1. Maxville Glencarry Games, Maxville, Ontario, Canada, August 4, 1979.

All Heavy Events were added to the Games format this year except the HAMMER. This was the first time in recent history that Maxville held most of the Events.

A field of fourteen throwers, including several promising newcomers assembled for the afternoon contest. Led by Dave Harrington of Old Chelsea, Quebec, the athletes awed and entertained the crowd (estimated at 30,000) with their strength and, in the case of some of the novices, their fouls over the trig.

Don Bond and his group of officials are to be congratulated for a successful first effort at bringing the Heavy Events to Maxville.

80° - partly cloudy, dry field. Results submitted by Dave Harrington.

3. San Diego Scottish Highland Games, San Diego, CA, August 5, 1979.

McCoy Stadium, San Diego State University. Athletic Chairman - Dave Taddeo., Head Official - Ian Russell. Submitted by John Ross.

An estimated 4,000 people enjoyed a warm San Diego day and a fine Highland Games with five professionals and twenty-nine amateurs competing in separate flights throughout a well organized Games. Throwing was from a good grass surface.

Brian Oldfield continued to win championships by edging Keith Tice and J. D. Goldrick by one point for the Overall. John Ross and Matt Baughman finished Fourth and Fifth Overall.

4. Fergus Highland Games, Fergus, Ontario, Canada, August 11, 1979.

The Canadian Heavy Events and Ballantine Scotch Canadian Caber Championship.

Held at the Fergus Fairgrounds, some forty miles west of Toronto before an estimated crowd of 27,000.

This year's contest was dominated by Brian Oldfield of Sunnyvale, CA, who won four Events out of six, establishing four Field Records including a more than ten foot increase in the 25 LB STONE mark to 46'5" for the farthest toss ever in North America, although the weight was a wee bit light to count as a NASGA Record; a toss of 16'1/2" in the WEIGHT FOR HEIGHT and a 1/4" increase of 72'1/2" with the 28 LB WT. Brian scored 54 points out of a possible sixty.

Colin Mathieson, NSW, Australia former World Caber Champion and Australian champion won the HEAVY HAMMER in spite of taking a bad fall when the hammer head came off in warm-ups. Colin finished Sixth Overall with 27 pts. Ron Short won the competition CABER (Robertson) and finished Fourth in the standings with 28 Pts.

Fred Vaughan placed Second in the Overall with 41 points and won the Ballantine's Scotch Canadian Caber Championship. Keith Tice finished a scant one point back with 40 points for Third Overall.

McComas tied for fourth with 28 points and Tom Johnson finished Seventh with 26 points. Dave Harrington, from Old Chelsea, Quebec placed Eighth with 17 Points and Fellow Canadians Phil Webb and Bob Whitman closed out the standings.

The efforts of the Fergus Chamber of Commerce, John Campbell, Bill Geiger and Ed MacRae in sponsoring the Fergus Games for the 34th year are greatly appreciated by all concerned. This year's edition saw one of the strongest field of competitors to ever participate in a Scottish Games in North America. The competition would have been even stronger had Bill Anderson, the World Champion, been able to compete. Bill was present but severely injured as a result of a CABER accident incurred in Nova Scotia. Fergus may have been the first contest Bill ever had to sit out due to injury and all of the Heavies appreciate what he had to go through.

5. Rocky Mountain Highland Games, August 11, 1979. Attendance: 5,000. Temperature: 82°. Results submitted by P. Hoyt and G. Bradshaw.

The 16th annual Rocky Mountain Highland Games were held at the Colorado School of Mines on a beautiful sunny day.

These Games are unique in that they encourage participation by anyone who wishes to enter and also have both women's and children's events. There were 122 competitors in all in the three categories. In the men's CABER alone, there were more than 50 competitors. There were 4 different weights used in order to eliminate the contestants. The heaviest CABER, the Bradshaw, (17'6" x 95 lbs) was turned by only two men, P. Hoyt of Florida and J. Bradshaw of Colorado. These two earned a chance at the USHER'S CABER (19' x 130 lbs.) which the Scotch distiller of the same name has offered a trip to Scotland for two to anyone that turns it. Neither man could turn it, so the trip will be offered again in 1980.

There were two other events contested, the SHEAF, and the 56# WT FOR HEIGHT. In addition to winning the CABER, Pete Hoyt also won the SHEAF and took third in the 56 to win the Overall trophy.

5. Ohio Scottish Games, Stow, Ohio, August 25, 1979. Attendance: 8,000.

The second Ohio Scottish Games contested seven Events and attracted athletes from California, South Carolina, Florida, Pennsylvania and Maryland. The Games were held at the National Guard Armory, north of Akron, and the throws were from a very soft and rough grass surface. In spite of the conditions several outstanding throws were made. The primary achievement was a new NASGA recognized World Record by Brian Oldfield in the WEIGHT OVER THE BAR. Brian surpassed the 16 foot mark for the fifth time this season with a World Record 16'7".

In taking the Overall Championship, Oldfield scored 32 points in seven Events to 27 1/2 points for Fred Vaughan. He won three events in addition to the 56# WT FOR HT including an excellent 16# STONE TOSS of 61'9", the 28# WT and a fine SHEAF TOSS of 26'3" with a fourteen pound bag. Vaughan won the 56# WT FOR DISTANCE and the CABER. Keith Tice won the 22# HAMMER and placed Third Overall with 18 points.

The closest competition of the day occurred in the 28# WT, with the top three placers separated by a total of 2 1/2". This was due partially to a Personal Best by Tom Johnson (Mt. Pleasant, SC), who increased by six feet over his previous best thrown two weeks ago at Fergus. Oldfield won the Event at 72'3 1/2" with Johnson second with 72'1 1/2" and Vaughan third at 72' 1/2".

Fifth Annual U.S. Scottish Heavy Events and Caber Tossing Championships

Held at the Caledonian Club of San Francisco's 114th Annual Gathering and Games, Santa Rosa, Calif. September 1&2, 1979.

Sonoma County Fairgrounds; Attendance: 25,000. Heavy Events Coordinators: Malcom Ramsay and Gordon Varnedoe. Games President, John Dickson.

For the first time in the history of Scottish Games in North America, a team championship was contested in addition to the regular overall championship. The teams were composed of Brian Oldfield and Keith Tice (West Coast); Fred Vaughan and Dave Harrington (East Coast); Grant Anderson and James McBeath (Scotland). Grant (from Dundee) has been co-holder of the World Record in the WEIGHT OVER THE BAR at 16'1" until this year and is one of the top Scottish Heavies. James (from Dunbeath) is one of Scotland's best HAMMER throwers and was making a return visit to the Santa Rosa Games having helped start the Heavy Events here in 1974. The West Coast won the Team Competition with Scotland second and the East Coast third.

The Overall Championship was shared for the first time as Anderson and Oldfield tied with 43 points each. Vaughan was third with 30 points; Tice was fourth (24 points); MacBeath was fifth (18 points); Harrington placed sixth (16 1/2 points) and Ross was seventh (5 1/2 points). Brian placed First in four Events, setting two Records (STONE and 56 HT.) Grant in three Events (both HAMMERS and regular CABER) and set a record in the HEAVY HAMMER, breaking Bill Anderson's record set in 1978. Grant also won the U.S. CABER TOSSING championship, turning a very difficult 18' x 122 lb CABER on the cinder track. Fred won the 29# WT.

 Attendance: 7,500. Results submitted by P. Hoyt.

beautiful fall day greeted six athletes who came to this beautiful site and were rewarded th an enthusiastic crowd and good officiating.

Ron Short (Winston, Salem, NC) scored a mild upset when he edged out Ed McComas (Lutherville, MD) for Athlete of the Day by 2 pts. (36 to 34). Ron set three seasonal bests as he won four Events and had 3 seconds. Ed won three Events and had 4 seconds. Jim Pauli, Penn Hills, PA) took third and Pete Hoyt (Altamonte Springs, FL) was fourth.

John Severance and Caroline Robertson did their usual fine job in officiating the Games which was one of the five Games in the American Scottish Games Tour Championship.

9. Ligonier Highland Games, Ligonier, PA. Sept. 8, 1979. Attendance: 15,000  
 Results submitted by Michael Reid. Athletic Chairman: David Peet

Perhaps the largest crowd in the 21 year history of the Ligonier Games was on hand to see Fred Vaughan, N. Myrtle Beach, SC, win the John "Jock" Sutherland Memorial trophy as the Overall Outstanding Athlete with 34 Points. Ed McComas, Lutherville, MD, four times Games Champion, placed second overall and set a Field Record in the STONE PUT (19 lb.) of 43' 11 1/2".

Other Field Records were established by Fred Vaughan in the 22LB HAMMER (84'5 1/2"), the 28LB WT (71'10") and a superb 39'8" in the 56 LB WT throw. This was the second farthest throw ever by an American. Vaughan also tied the WEIGHT FOR HEIGHT record (15'2"). Michael Reid, Monkton, MD, who finished third overall set the Field Record in the SHEAF at 23'2". Jim Pauli of Pittsburgh, PA, finished fourth overall with a P.R. in the 56LB WT and a strong second place in an unexpectedly close CABER competition. Vaughan won the First American Scottish Games Tour Championship by garnering the most points in five Eastern U.S. Games (Delaware, Delco, VSG, Altamont, NY and Ligonier).

Labatt, B.C. Heavy Games Championship

The terrain at the top of the mountain is very rocky and rugged. The weather was terrible, pouring rain and very foggy. The Games began at 1:00 PM due to the weather which cleared occasionally.

(edit. This is the first report NASGA has received from the West Coast of Canada, thanks to Doug Fales of Montreal. Many of the events are not standard Scottish Heavy Events, but are similar enough to be listed.)

11. Charleston Scottish Games, Sept. 15, 1979, Middleton Place Plantation, Charleston, SC.

Attendance: 4,000. Sponsored by the Scottish Society of Charleston, SC, Capt. Ludovic J. Grant-Alexander, President. Edwin Holcombe, Athletic Director.

The Eighth Annual Charleston Scottish Games was held at the restored 18th Century Middleton Plantation off Route 61 Southwest of the city and was further enhanced by the unusually cool 80°+ and overcast weather, surely one of the coolest days ever in September in Charleston.

Three new Field Records were thrown with Tom Johnson's 45'4", 20 LB STONE TOSS the best effort of the afternoon. Johnson, from nearby Mt. Pleasant, surpassed a very good record set by Ed McComas in 1975 by over three feet. Tom finished second in the overall points competition and also won the 56LB WT FOR HEIGHT with a record tying effort of 14'0".

Fred Vaughan won the Overall Championship with three Firsts; in the 56LB WT, a record 73' 1 1/2" in the 28 LB WT and a record 82'5 3/4" with the 24LB HAMMER. Vaughan became only the second person to turn the ROBERTSON CABER, although Ron Short won the Event with three tosses of 11:30. Ron also won the SHEAF TOSS and placed in a tie for Third Overall with Ed McComas. The competition was so close between McComas, Short and Johnson that for awhile it looked as if there would be a three way tie for Second. Pete Hoyt and Rick Porter tied for Fifth.

Many thanks to helpers, judges and stewards including Ed Holcombe, Edwin and Nancy Holcombe, Mr. and Mrs. Ross Morrison, Guy Soule, Art Riggs, K.C. Steir and JoAnne Johnson. No Games can be performed correctly without the aid of many volunteers and the above personnel are some of the most able found at any Games.

Fresno Scottish Games, Sept. 29, 1979, Fresno, California

The first Fresno Scottish Games, sponsored by the Celtic Society of Central California were held at Ratcliffe Stadium in Fresno. Keith Tice, Athletic Chairman.

The STONE, LT & HEAVY HAMMERS, 28 & 56 WTS FOR DISTANCE, CABER and WT FOR HEIGHT were contested among four professionals and six to eight amateurs. The open competition was so close, being tied three ways after three Events and again after five Events, that the Overall Champion was not determined until the last throw of the last event. Brian Oldfield, after two unsuccessful tosses, flipped the 18'x130 lb CABER to an 11:00 to win the Event and edge out Keith Tice for the championship with 23 Pts. Keith finished with 21 Pts.; Vaughan finished with 19 Pts. and John Ross was Fourth.

In spite of the excellent field, weather, and facilities, the athletes had various physical problems, so most of the throws were below average. Oldfield, however, did throw 16' in the WEIGHT OVER THE BAR with a 58 LB WT for the outstanding performance of the day.

The amateur competition, which is growing rapidly nationwide, was very good in Fresno and was highlighted by performances by two British trackmen and Bob MacKay of Turlock, CA.

13. Flora MacDonald Highland Games, October 6, 1979, Red Springs, NC.

On this first Saturday in October, a small field of four Heavies met at these annual Games named in honor of Flora MacDonald, who settled with her family in this area after the Rebellion of 1745. The setting is very spacious and attendance has increased from year to year.

Scoring the seven Events on a 6-4-3-2-1 basis, Fred Vaughan won the Overall with 38 Pts. Ron Short was second just beating Tom Johnson 27 Pts to 26. Martin finished with 14 Pts. Fred won five Events and established a record in the 16LB HAMMER of 111'2 1/2" and the 56 WT FOR HEIGHT (13'9"). Tom won the STONE with a record toss of 49'. Ron placed first in the CABER.

14. 1st Annual Campbell Scottish Games, Campbell, California, October 20, 1979.

Held at Campbell High School and sponsored by the Chamber of Commerce.

The weather was 70°, cloudy with showers. A good grass throwing area, although somewhat soggy from recent rains. Attendance: 1,000, Athletic Officials: Stan Russell and John Gimmel. Results submitted by John Ross.

Brian Oldfield thoroughly dominated the competition with four wins out of the five Events including a new World Record in the 17# STONE (actual weight, 17#10 1/2oz) of 63'1". Brian also cleared 16 feet again in the 56 LB WT FOR HEIGHT coming very close to 16'6".

Attendance: 15,000. Athletic Chairman: Art Riggs, assisted by Ed Holcombe, Guy Soule, Ross Morrison.

This annual games and Gathering is held at lovely Stone Mountain Park near Atlanta which makes a fine setting at this time of the year for the season finale of the Eastern Highland Games.

Seven Heavies, representing five States and the Province of Quebec, competed in the open/professional Events with Fred Vaughan, N. Myrtle Beach, SC, winning Athlete of the Day honors with with 39 points. Fred won Firsts in the 56# WT, 28# WT, and 56# WT FOR HT. Ed McComas from Lutherville, MD, was Second Overall with 30 points. Ed won the 22# HAMMER and a Personal Record in the 28# WT.

Third place (with 27 points) went to Ron Short, Winston-Salem, NC. Ron won the CABER, a 19'x115# log, and was the only athlete to turn it on all three attempts. Tom Johnson, Mt. Pleasant, SC, finished Fourth with 26 points, won the 28# STONE and had one of his best overall efforts of the year, establishing P.R.'s in three of the first four Events.

Dave Harrington, Old Chelsea, Quebec, was Fifth in the Overall with 17 points. Pete Hoyt, Altamonte Springs, FL, finished Sixth Overall with 12 points. Pete won the SHEAF TOSS and set a Field Record of 23'. This was the highest throw ever on the no-touch system which is used in many of the Southern Games. Earlier in the competition, McComas, Hoyt and Short had equalled Bob Porterfield's old record of 22' and Hoyt went on to win on fewer misses. John Allardice, from Pittsburgh, PA, was Seventh in the Standings. Scoring: 7-5-4-3-2-1.

WINNING THROWS AND RANKINGS IN NORTH AMERICAN GAMES: 1979

(+ Indicates a major Heavy Events Games with five or more regular Heavy Events and three or more experienced Heavies. \* Indicates a Field Record. \*\* Indicates an American Record).

TOSSING THE CABER: There is no standard size or weight of caber but generally the caber should be from 17 to 20 feet in length and weigh 100 to 130 pounds. The practice of throwing a short, light "caber" for distance is not tossing the caber and should be discontinued. No trig or scale should be used, each competitor taking any length of run he wishes and tossing from where he chooses. Each competitor is allowed three attempts - the best of three to count. An attempt shall commence when the caber is set up and if the competitor allows the caber to fall, this shall count as one of his attempts. A perfect CABER TOSS is a 12 o'clock throw after the caber turns 180° and lands - not bounces - and stops. It is absolutely essential to have a competent judge, who thoroughly understands the rules of this sport.

PUTTING THE STONE: Thrown with one hand from behind a four foot six inch trig (toeboard) with a seven foot six inch approach. The stone varies in size from 16 to 32 pounds. Each put shall be measured from the point of the trig where the put is made to the nearest break of ground. The touching of any part of the trig (except the face nearest the competitor when he takes his stance) or the ground beyond the trig shall be a foul. The same stone should be used from year to year on the same ground.

THROWING THE 28# WEIGHT: With one hand only, from behind a four foot six inch long, six inch wide toeboard (or trig) with a nine foot approach allowed. Same foul rules and throws as the STONE. Measurement should be made from a point on the side of the trig closest to the thrower nearest to which his throwing or plant foot was placed (left foot if a right handed thrower); to the nearest break of ground of the weight (not the ring). The weight is a ball or block attached by chain to a ring or triangular handle. The overall length of the implement should not exceed 18". The Thrower must be standing after delivery of the weight.

POSSING THE 56# WT FOR HEIGHT: (The Weight Over the Bar). A block or ball weight to which a rectangular or triangular handle is attached by chain link and weighing a total of 56 lbs is thrown with one hand only over a bar similar to that used in the pole vault. Competitors are allowed three throws at each height and may commence throwing at any height so desired but once having done so must continue. All measurements should be made from the ground to the top of the bar at a point midway between the uprights.

In 1979 this NEWSLETTER reported on thirty-one Games which carried at least some of the Heavy  
Events. This was an increase of fifteen new Games since January, 1977. Twenty-four of this  
year's Games were major competitions carrying five to seven of the Heavy Events and involving at  
least three athletes with Heavy Events experience. Almost all Games had increases in attendance  
this year and it seems that inclement weather is the only factor which will hold down spectator  
interest.

1979 also saw an increase in quantity and quality of athletes and performances have improved  
considerably over last year. The outstanding efforts were put in by Fred Vaughan and Brian  
Oldfield. Fred had his best year yet winning ten Games Championships, the Canadian CABER  
Championship, and improving both American Records in the 56 LB WT and 28 LB WT. He broke twenty  
Field Records over the year. Brian won six Games titles including the U.S. Highland  
Heptathlon, and Canadian Heavy Events Championship.

#### ACKNOWLEDGEMENTS:

1. SGA NEWSLETTER could not be published without the assistance of Pete Hoyt, Altamonte  
Springs, Florida, who has arranged for printing and duplication.
2. All Rules, Regulations, and British Records have been derived from the Annual S.G.A.  
(Scottish Games Association) Yearbook, printed in Eskbank, Dalkeith, Scotland.

3. Special thanks and appreciation to the officials and judges who are primarily responsible for the running of the Games; especially Guy V. Soule (Charlotte, NC), and Ross Morrison, Jr. (Harrisburg, NC), Edwin F. Holcombe (Mt. Pleasant, SC), John Severance and Betsy Roberts (Paoli, PA), and Art Riggs, (Atlanta, GA).
4. Special thanks also to Gordon Varnedoe for his efforts to get the Heavy Events accepted as a legitimate professional sport.
5. Also special thanks to Ms. Betty Broach for many hours spent in typing the master copy of the Newsletter.
